PRO LIFE CORNER: The only differences between the Herod of old and the “Herods” of today are in the weapons used and the number of victims. Herod used swords and spears to kill the Holy Innocents. Today’s Herods use surgical abortion. “The Pill” and other chemical weapons. And whereas Herod killed a relatively small number of babies, today’s Herods have butchered, worldwide, hundreds of millions with no end in sight!

Families and the Gospel

Mt. 2:1-12

After meeting Jesus, the Magi returned home by “another way.” What in your family needs to be done “another way?” Do you need another way to resolve differences, to communicate or show affection? This is a new year. It’s time to change what isn’t working. Take a tip from some wise men, there’s always “another way.”

Prayer for Priests

May by your pure and Holy Immaculate Conception be their strength and their protection

Our Parish Stewardship: *The Magi were led to the Savior by the light of the star. May we, as baptized Catholics, lead others to Jesus by the light of our Faith.*

Liturgical Reflections...

Today we join the three men from the east who have come to acknowledge the presence of divinity on this earth. The infant child is indeed the Eternal Word of God. And this divine gift is just not for God's holy people Israel. The Savior has arrived on this earth for the redemption of all peoples. These foreign travelers stand for all of us who are not members of God's chosen people of Israel. Nonetheless, God has sent his Savior Child for the redemption of all people.
